This 3 (three) year warranty covers all Prorack products* and rack components manufactured by Yakima Europe Coöperatief U.A. YakimaEU may elect, at its option, not to repair or replace a defective product, in which case YakimaEU will issue to the original retail purchaser, at YakimaEU's option, either a refund equal to the purchase price paid for the product, or a credit to be used toward the purchase of new Prorack products or rack components. This warranty does not cover problems caused by normal wear and tear (including, but not limited to, scratches, dents, or aesthetic oxidation of surfaces), accidents, unlawful vehicle operation, or modifications or repairs not performed or authorized by YakimaEU. In addition, this warranty does not cover problems resulting from conditions beyond YakimaEU's control including, but not limited to, theft, misuse, overloading, or failure to assemble, mount or use the product in accordance with YakimaEU's written instructions or guidelines included with the product or made available to the original retail purchaser. If a product is believed to be defective, the original retail purchaser should contact the Prorack dealer from whom it purchased the product, who will give the original retail purchaser instructions on how to proceed. If the original retail purchaser is unable to contact the Prorack dealer, or the dealer is not able to remedy the defect, the original retail purchaser should contact YakimaEU by e-mail at: warranty@yakima.eu for shipping instructions. Upon contacting YakimaEU directly, a YakimaEU technician will provide the original retail purchaser with appropriate instructions for returning the product to YakimaEU. The original retail purchaser will be responsible for the cost of mailing the product to YakimaEU. In order to receive any remedy under this warranty (either from a Prorack dealer, or from YakimaEU directly), proof of purchase in the form of an original purchase invoice or receipt is strictly required.
